

The Lighthouse Grill

Daily Dining begins with a selective menu breakfast at Whitehill's dining facility. Open dining at lunch and dinner with planned menus that always offer alternate choices, makes mealtime truly special. The Registered Dietitian will assist residents with any nutritional needs.

Residents also have the opportunity to plan their own Holiday and special events meal menus through the Resident's Council

Map Courtesy of Google Maps.

Located on the corner of Lake Lansing and Hagadorn Roads, Whitehills Healthcare facility is minutes away from downtown Lansing, East Lansing and major expressways. Public transportation is always available for local shopping and outings with families and friends.

Our Mission

It is our belief and commitment that the care we give, the facilities we operate and the programs and services we provide should exceed the needs and expectations of our residents, families and associates.

-HCM, INC.

“We have Prom every year around May. People bring around dresses and there’s a disc-jockey.”

-Soso Soandso

- Skilled Nursing Care
- Physical Therapy
- Occupational Therapy
- Speech Therapy
- Hospice Care
- Special Dietary needs
- Planned Activities
- Resident & Family Council
- Beautician on Duty

Whitehills Healthcare Facility offers many activities for residents to enjoy. These include:

- Wii games, such as bowling and bingo.
- Scrabble
- Puzzles
- Mad Libs
- Prom

With many rooms to choose from, residents stay comfortable in private, semi private or wardrooms. These clean, friendly and inviting spaces provide amenities such as cable television and phone service jacks. Common areas also help to provide group entertainment and social gatherings with friends, family and neighbors.
